HUMANITY > TECH

A hand with a pinkish-red skin tone is pointing its index finger towards the right side of the image, specifically towards the word 'TECH'. The hand is positioned on the right side of the red background. The text 'HUMANITY > TECH' is embossed in a gold color on the red background. The background is divided into three horizontal bands: red at the top, light brown in the middle, and blue at the bottom. The red band is the largest and contains the text. The light brown band is a thin strip in the middle. The blue band is at the bottom and has a dark, circular mark near the bottom center.
